Kids' Academy's Spring Semester will begin on January 7th of 2010 and go through June 3rd of 2010. We accept ages 4 months through Pre-K and have lots of fun things planned for each and every age. We take pride in providing a safe, loving, Christ-centered atmosphere for your children to learn and grow. It is truly an honor to be such an integral part of your children's lives.

The newly modified Kids' Academy is a Christ-centered, educational program. For us, being "Christ-centered" means that everything we do, everything we teach, every aspect of the environment must lead students, directly and indirectly, towards the Lord Jesus Christ whom we believe is the center of all things. The school exists to help children by integrating biblical principles and academic excellence. This integration of faith and scholasticism takes place in an environment that addresses the needs of the whole person, which are: the spiritual, intellectual, physical, emotional, and social needs. By fulfilling the call of the great commission (making disciples) the school thus upholds and promotes the vision and spirit to all families in the community.

By the time children finish Pre-K, they are ready for Kindergarten, socially and scholastically. We use Sunny Hollow Press, Frog Street Press, Wee Learn, Scholastic and Mailbox curriculums. New this year, our Pre-K children will be participating in a Clifford series each month that promotes reading comprehension.

Activities are organized around the weekly topics, using learning centers that include the alphabet, math, phonics, writing, reading, art, dramatic play, music, science/nature, puppets, finger plays, rhymes and group time. The daily schedule also includes both physical and quiet activities as well as playground time. In addition to their normal class, each child also attends Chapel, Music, Spanish and Sign Language.

Please return the Kids' Academy Enrollment form along with your child's Spring Registration Fee in order to reserve your child's space. Spaces are limited and will be assigned on a first come first serve basis.

We look forward to having your child/children become a special part of our Kids' Academy family.

In His Love,

Ms. Kandice Clark, Kids' Academy Director
